Oppose Assisted Suicide. Proposal to legalise assisted suicide which was rejected by the Lords is returning to the Commons in the same format on Fri 11th Sept. Our Bishops have asked us to oppose this legislation, on the grounds that it undermines respect for the innate value of life; that it could lead to vulnerable people feeling pressured into ending their lives & that it risks putting hospices & care homes in the position of no longer being able to run. The Bishops have asked we contact/write to our MPs again, to express opposition to this bill. They have provided materials to help us do this on the website (www.cbcew.org.uk/opposing-assisted-suicide/). SPUC also gives advice on what to say MP ([SPUC.org.uk/Fight the Terminally Ill Adults \(End of Life\) Bill](http://SPUC.org.uk/Fight the Terminally Ill Adults (End of Life) Bill)). To be debated 11th is Sept. Please contact asap.

The National Conversation - a chance to contribute ideas about how to shape a more united future for England. Launched by the Independent Commission on Community & Cohesion. The Commission wants to hear from churches because it knows that we are on the frontline of community life. We see pressures on families/young people, impact of economic insecurity/cultural change, tensions/misunderstandings between different groups & the desire many people have for belonging, meaning & hope.
