Parents of Pre-School Children: Apply for your Child's Reception Place. If your child was born between 1st Sept 22 & 31st Aug 23, he/she will be due to start Reception in Sept 27. You must apply for a primary school place through your home Local Authority by 15th Jan 27. Even if your child currently attends the nursery or pre-school attached to your preferred primary school, you must still submit a Reception Application through your Local Authority. Attendance at a nursery does not guarantee or automatically secure a reception place. **If you would like your child to be considered for a Catholic primary school under a Catholic faith admission criterion, there is an additional step:** Complete the school's Supplementary Information Form (SIF).& send to SIF directly to the school. Send the required supporting evidence (e.g., a copy of your child's Baptism Certificate) directly to the school.
The SIF & supporting evidence must be sent to the school, NOT to the Local Authority. The Local Authority application & the school's Supplementary Information Form are separate processes. Both must be completed by the deadline if you wish your child to be considered under the school's faith-based admissions criteria. If the school does not receive the Supplementary Information Form & supporting evidence by the deadline, your child may be placed in a lower admissions category, which may affect their chance of securing a place. If you do not have a copy of your child's Baptism Certificate, contact the parish where your child was baptised asap to request a replacement.
